

We would like to thank all the beneficiaries who are enrolled in BIJAM through different programs being carried out.

We do hope that the services we have been delivering will be fruitful and benefited for long run. In behalf of the program we wish the entire target group have a constructive future.

I would like to offer my heartfelt thanks & gratitude to the staffs for their valuable contribution has been highly appreciated. Without their effort, carrying out the programme and provide quality service to target group would not have been feasible. , their sincere effort has added milestones in the program.

We would like to express thank to all the Government bodies, Non government bodies together with all the Community based organization's who has always held up and supported in the betterment and improvement for helping stepping ahead in the way of success. We would like to thank other service providing agencies working in the Parsa district in HIV & AIDS sector. I wish to acknowledge here all the funding agencies regarding their valuable support to strengthen staff's as well as organizational capacity for delivering quality service amongst project beneficiaries and run program smoothly.

Finally, we have come a long way, our journey has just begun. There is much more to be done in combat against HIV & AIDS. These are remarkable results for an organization and it would not have been possible without the support from the community level and support of well-wishers.
